

TOP 10 FARM FINANCIAL MISTAKES & HOW TO AVOID THEM

Rossworn Henderson LLP Chartered Professional Accountants

Thursday, Dec. 12, 2019
360 Duncan Street
Duncan, BC, V9L3W4

Registration Opens at 8:45 a.m.

Workshop 9:00 a.m. – 3:30 p.m.

Lunch and Refreshments are included!

*Street parking available for \$2

Workshop goals:

1. Share experiences and provide an overview about what solid farm financial management looks like.
2. Using interactive audience participation and expert farm accounting expertise, we will discuss some common pitfalls, strategies to stay on track, and existing resources available to help you and your agriculture business thrive. Subjects include but not limited to:
 - Government risk management strategies
 - Other risk management strategies
 - Evaluate and prioritize your risks
 - Tax strategies
 - Operate your farm as a business – know your market
 - Know your costs
 - Look at your farm as an investment
 - Manage your debt
 - Communicate
 - Long-term planning
3. Leave you with a better understanding of their individual farm finances and/or next steps for improvement.
4. Learn about BC Ministry of Agriculture Business Risk Management programs, BC Agri-Business Planning programs, peer support and the importance of maintaining regional industry associations.

\$30 Admission - includes a tasty lunch

Space is limited so RSVP to confirm your spot
